Additionally, an archive of the webcast will be available shortly after the call in the "Presentations" section within the "Investor Relations" section of the Company's website.

About W&T Offshore

W&T Offshore is an independent oil and natural gas company focused primarily in the Gulf of Mexico, including exploration in the deepwater and deep shelf regions, where it has developed significant technical expertise. W&T Offshore has recently diversified its operations by expanding onshore into the Permian Basin. W&T Offshore has grown through acquisitions, exploitation and exploration, holds working interests in approximately 67 fields in federal and state waters and has approximately 30,000 net acres under lease onshore. A majority of its daily production is derived from wells it operates.
